

Interstate 76, Tallmadge Rd. & Mogadore Rd.

Brimfield Township

Beginning in late April, a \$5.7 million project will begin at the I-76, Tallmadge Rd & Mogadore Rd. interchange. This project is scheduled to be completed by July 2023.

The project includes reconstruction of Tallmadge Rd. & Mogadore Rd. at the I-76 interchange. The project also includes culvert reconstruction, storm sewer improvements, and traffic signal work at ramp intersections. This project also includes work on the westbound I-76 exit ramp including realigning the ramp to intersect Mogadore Rd. north.

See back page for a drawing of what the interchange will look like once the project is completed.

Beginning in **early-May**, the following traffic impacts will occur:

- Tallmadge Rd. between Cascades Boulevard and Sunnybrook Rd. will be reduced to two lanes. Westbound traffic will be shifted to the eastbound lane.
 - The south leg of Mogadore Rd. will be closed through July 2023. Detour will be Mogadore Road to Old Forge Road to SR 43 to Tallmadge Road.
 - Beginning in **early-June**, the north leg of Mogadore Rd. will be closed for 45 days. Detour will be Tallmadge Rd. to SR 43 to SR 261 to Mogadore Rd.
- Beginning in **mid-July**, the north leg of Mogadore Rd. will be open to southbound traffic only through September.

*I-76 ramps will remain open to traffic during construction.
