Hot air blower type Compact 230V/2300W	5102586	5102515
Hot air blower type Compact 230V/2300W with integrated digital controller for heat	5102594	5102515
Hot air blower type Compact 230V/2300W, external control for heat and blower with 5m cable, with thermocouple	5102597	
Hot air blower type Compact 230V/2300W, external control for heat with 5m cable, with thermocouple	5102590	
Hot air blower type Compact 230V/3100W	5102602	5102545
Hot air blower type Compact 230V/3100W (5102595), with integrated Digital controller for heat and with seperated connection of heater and blower without double switch but with double lamp, with 4 pol. cable in 10 meter lenght (S11)	6600367	
Hot air blower type Compact 230V/3100W external control for heat with 5m cable	5102591	5102545
Hot air blower type Compact 230V/3100W with integrated digital controller for heat	5102595	5102545
Hot air blower type Compact 230V/3700W	5102581	5102362
Hot air blower type Compact 230V/3700W (S18) Instant of the normal cable fitting is a cone outlet for the power supply cord. There is no handle anymore.	6600366	
Hot air blower type Compact 230V/3700W external control for heat with 5m cable	5102582	5102362
Hot air blower type Compact 230V/3700W with integrated digital controller for heat	5102585	5102362
Hot air blower type Compact 230V/3700W, CSA approved	5102604	5102362
Hot air blower type Compact 230V/3700W, external control for heat and blower with 5m cable	5102588	
Hot air blower type Compact 230V/3700W, external control for heat with 5m cable and thermocouple	5660001	
Hot air blower type Compact 230V/3700W, with 3 wire connection cord with open ends, black (heating), brown (blower), blue (neutral)-S07	6600292	
Hot air blower type Compact 230V/700W	6600222	
Hot air blower type Compact 400-440V/4700-5600W	5102605	5102552
Hot air blower type Compact 400V/4700W external control for heat with 5m cable, with thermocouple	5102592S	5102552
Hot air blower type Compact 400V/4700W with integrated digital controller for heat	5102596	5102552
Hot air blower type Compact 400V/4700W, external control for heat with 5m cable	5102592	
Hot air blower type Compact 400V/4700W, external control for heat with 5m cable, with thermocouple (5102592S)	5800231	
Hot air blower type Compact 400V/6100W	5102599	5102109
Hot air blower type Compact 400V/6100W, connection blower and heater separate (S11)	6600262	
Hot air blower type Compact 400V/6100W, external control for heat (S01), connection blower and heater separate (S11)	6600261	
Hot air blower type Compact 400V/6100W, external control for heat and blower with 5m cable	6600253	
Hot air blower type Compact 400V/6100W, external control for heat with 5m cable	5102600	
Hot air blower type Compact 400V/6100W, external control for heat with 5m cable, with modification S11 (5700187)	5102600S
