

Prod Desc	Part Number
Hot air tool type ErOn BL 120V/2700W	6600191
Hot air tool type ErOn BL 230V/2300W special for extruder with thermocouple and protection tube	6600207
Hot air tool type ErOn BL 230V/2300W with integrated thermocouple 0.8m cable, for external control heat 5m cable	6600234
Hot air tool type ErOn BL 230V/2300W with integrated thermocouple 0.8m cable, for external control heat 5m cable, potentiometer external for air flow 5m cable	6600236
Hot air tool type ErOn BL 230V/2300W with potentiometer external for heat and air flow 5m cable each	6600235
Hot air tool type ErOn BL 230V/2300W with schuko-plug	6600190
Hot air tool type ErOn BL 230V/3400W with integrated thermocouple 0.8m cable, for external control heat 5m cable	6600231
Hot air tool type ErOn BL 230V/3400W with integrated thermocouple 0.8m cable, for external control heat 5m cable, potentiometer external for air flow 5m cable	6600233
Hot air tool type ErOn BL 230V/3400W with potentiometer external for heat and air flow 5m cable each	6600232
Hot air tool type ErOn BL 230V/3400W with schuko-plug	6600189
Hot air tool type ErOn BL 230V/4500W with integrated thermocouple 0.7m cable, for external control heat 5m cable	6600238
Hot air tool type ErOn BL 230V/4500W with integrated thermocouple 0.7m cable, for external control heat 5m cable, potentiometer external for air flow 5m cable	6600240
Hot air tool type ErOn BL 230V/4500W with potentiometer external for heat and air flow 5m cable each	6600239
Hot air tool type ErOn BL 230V/4500W with schuko-plug	6600237
Hot air tool type ErOn BL 400V/5600W with cekon-plug	6600241
Hot air tool type ErOn BL 400V/5600W with integrated thermocouple 0.7m cable, for external control heat 5m cable	6600242
Hot air tool type ErOn BL 400V/5600W with integrated thermocouple 0.7m cable, for external control heat 5m cable, potentiometer external for air flow 5m cable	6600244
Hot air tool type ErOn BL 400V/5600W with potentiometer external for heat and air flow 5m cable each	6600243
Hot air tool type ErOn BL for BeltOn 400V/3200W with nozzle to the left	6600371
Hot air tool type ErOn BL for BeltOn 400V/3200W with nozzle to the right	6600370
Hot air tool type ErOn BL for BeltOn 400V/3200W without nozzle	6600372
Hot air tool type ErOn BL to LarOn 230V without nozzle	6600210
Hot air tool type ErOn BL to LarOn 230V without nozzle for LarOn High Speed/21	6600259
Hot air tool type ErOn BL to LarOn 400V without nozzle	6600211
